other structures, location of well and septic and property boundaries. Also attach copy of sanitary permit.

All new home construction must include a signed "Road Restoration Agreement" if located along a town road. New home builders must contact Permit Officer Dave Jahns for a New Home Permit and information about Building Inspections, Fire Numbers and Garbage / Recycling Pick-up. The Town's Building Inspector, Martin Johnson, must also be contacted after obtaining a New Home Permit from the Permit Officer and before any type of excavation or construction begins on a new home. Martin Johnson can be reached at (920) 685-6755.

If you have any further questions, contact the Permit Officer at (920) 921-6769

As the legal registered owner of the property herein stated, I understand that it is my sole responsibility to ensure that any and all work for which this permit is granted, is performed and completed in accordance with the Wisconsin Uniform Dwelling Code CHS. COMM 20-25 of the Wisconsin Administrative Code, and agree to accept all responsibility as such. I further agree to hold harmless from any and all retribution or legal action, the elected officials of the Town of Eldorado or any person appointed by their authority to issue such permits.

Notice: The project for which this Permit is being issued must be completed within one year of the issuance date. If not completed by the anniversary date, an application for Permit Extension MUST be filed with the Permit Officer.
